Dear parents

Uniform

We expect the standard of children's dress at Dove First School to be exceptionally high.

We encourage children to wear black or grey trousers, skirts, dresses or shorts (not too short), a white polo shirt, a purple school sweatshirt or cardigan and a purple check summer dress in summer (if you wish). Some of these can be purchased from the school office.

Sensible black school shoes (not trainers or sandals) should be worn.

Leggings or denim type trousers are not suitable school uniform.

Please make sure **all clothes are clearly labelled with your child's name** (including PE shorts and tops). It is extremely difficult to reunite an unnamed item with its owner and this is wasting valuable learning time for children and staff.

We have a large number of sweatshirts and other items in our lost property which have no names in them. Please come into school to check if you think any items belong to your child.

Hats

Now that the sunny weather is beginning to arrive, please ensure that your child brings a hat to wear at playtimes. Please ensure their name is on it.

Thank you for your continued support.

Yours sincerely
