Welcome back!

We are delighted to have welcomed back all of our pupils.

They have all settled back into school extremely well and are working hard.

Thank you for your ongoing support at home with reading and homework. This will help the children to consolidate their learning in school.

"Ed shed" log in details

It is fantastic to see so many pupils using "Ed shed". We have purchased this to support pupils with their phonics and maths learning.

Each pupil has their own log on – this has been sent to you via tapestry. They can play games and complete activities assigned to them by their class teacher.

For each activity completed they can earn point and they enjoy seeing where they are in the league table and more importantly whether they are beating the teachers!

If your child hasn't logged on yet please check Tapestry for their log on details and log on over the weekend.

Comic relief

The pupils have enjoyed celebrating the theme "Funny is Power" as part of their learning today. They have shared jokes and funny stories and have talked about the valuable support that Comic relief provides in the UK and around the world.

If another family member is collecting your child please let them know these times. Please continue to line up by the markings in the delivery area for your child's class when you collect.

- No jewellery is to be worn in school at any time. Please tie long hair up and remove earrings for P.E.
- Please do not park on the school car park. Cars parked inappropriately have been blocking the school buses and taxis.
- We have been fortunate to have had very little impact from Covid closures at Dove and we completely understand how everyone is beginning to tire with the restrictions in place and we urge you to continue to follow the government's 'stay-at-home' message and limit social contact outside of school.
