Enrichment Curriculum

As a school we have been working on an 'Enrichment Curriculum' which runs alongside our curriculum. This offers pupils a range of experiences which cover social, moral, spiritual and cultural aspects of life.

Please see the attached overview of our Enrichment Curriculum.

When pupils take part in these activities they will be shared on Tapestry and we will be developing a display in school too.

Clubs and school visits also form part of our curriculum enhancement and we look forward to developing these further throughout the coming year.

From Friends of the Dove

The AGM was held on 22/09/22
Your new PTA committee was voted in:

Chair Person - Emma Wood
Vice Chair - Lucy Watkin
Treasurer - Katie Payne
Secretary - Stacey Halliwell

We are all looking forward to the exciting things planned but obviously we continue to need support. We completely understand commitments and we don't expect you to come to every meeting or event but if you could help out where you can it would be so appreciated.

Once again, we thank Laura Podmore and everyone that helped the PTA over the last year. We now look forward to the year ahead!

Reminders to parents

Walking on the wall– please do not let your children walk on the wall next to the school path. It is very slippery and a number of children have injured themselves.

Car Park Reminder

For the safety of all children at Dove and Ryecroft please do not park on the School car park.
