Ideas Please!

Dear all,

I was very pleased to inform you of the exciting developments that are planned at Dove over the coming months. Regarding extending to include nursery age children, the decision lies with the Department of Education and I will be sure to inform you as I know more.

The before and after school club is something that will be in place from April 18th during term-time only. The procedures for booking and costs will be released soon. **Please be clear that the club needs to be well attended to continue.**

There will be themed evenings for the children and any suggestions for these would be gratefully received.

I would love to hear your ideas for a name for the club so get your thinking caps on!

Class Attendance Award

Please help your child's class gain an award for improved attendance.

In school, we are trialing a replacement to the class with the highest attendance to improved attendance.

Each week the attendance of the class is compared with that of the week before. If the class has improved their attendance or maintained full attendance, all children in that class will receive a reward. This is for every class, every week meaning that all children could be rewarded.

Rewards could be anything from extra playtime, extra Dojos, Just Dance to class choice that week.

Attendance Made Clear

Each school day is made up of two sessions as directed by the Department of Education: morning and afternoon.

One school day absent = 2 sessions

Please try to keep appointments to outside the school day where possible. If your child needs to attend a medical appointment during the day, please try to have them in school for as much of the session as possible – come in a little later or leave a little earlier.

Holidays to be taken during holiday time. Permission from school will only be granted in exceptional cases.
